

DOMAINE de la RENAUDIE

FRANCE - Val de Loire

TOURAINE-CHENONCEAUX WHITE 2016 Appellation Touraine Contrôlée

« When a Val de Loire wine from a rare and genuine soil expresses itself with elegance and nobility, it becomes the beginning of a nice love story with the art of living lovers.

TOURAINE-CHENONCEAUX, The Prestige in the heart of the Loire Châteaux area »

Description: From a selection of the best slopes of the Cher Valley, this white wine, sauvignon grape variety has a nice aromatic intensity with a touch of ripe fruit (pear, apricot) and citrus. This ample, rich and powerful wine, with its length on the palate, its richness and complexity give one of the great white wines of the Loire Valley.

Consumption : Serve it chilled , 10°C to 12°C, as an aperitif or with starters, shellfish and fish. Can also be served with asparagus "à la solognote". Drink it young, before 3 years old.

Vinification : We picked the grapes from September 25th. The vinification is traditional .When arriving in the cellar, we separate the free- run wine before pressing the grapes. After 24 hours we let the must settle. Then the juices are put to ferment in thermo regulated stainless steel vats. We keep the fermentation temperature between 16°C and 20°C. The wine is matured on fine lees until April 30th after the harvest.
