

DOMAINE de la RENAUDIE

FRANCE - Val de Loire

TOURAINES-CHENONCEAUX RED 2016

Appellation Touraine Contrôlée

« When a Val de Loire wine from a rare and genuine soil expresses itself with elegance and nobility, it becomes the beginning of a nice love story with the art of living lovers.

TOURAINES-CHENONCEAUX, The Prestige in the heart of the Loire Châteaux area »

Description : From a selection of the best slopes of the Cher Valley, This unique cuvée(majority of Côt and Cabernet Franc) with an intense dark purple colour gives aromas of ripe black fruit : cherries, blackcurrant and cooked fruit. The fine and silky tannins give this wine great elegance and ageing potential, one of the great red wines of the Loire Valley.

Consumption : Serve it at room temperature (16/18° C) with red meat and cheese. May be kept for 6 to 8 years

Vinification : The two grape-varieties are picked at their peak of maturity. The grapes are completely picked off the bunch without any skin or carbonic maceration or micro-oxygenation.

The two grapes-varieties are vinified separately in a traditional way, then we blend them. Six months later the blend is well melted, the wine is cleared, we bottle it .
